**ORDER:**

Ever since the independence, Government have been endeavouring for the development of Scheduled Castes so as to bring them on par with general society. As per the 2001 Census, the SC population in A.P., is 1,23,39,496 (16.19%) as against the total population of 76.11. million, and, the Census also indicated that the bulk of the SC population i.e. 82.82% lived in rural areas, and the literacy rate amongst SCs is 53.52% as against 61.6% for the total population.

The important instrument for the development of Scheduled Castes is Special Component Plan, which constitutes distinct feature for the planning process. The Special Component Plan for SCs is in implementation in A.P., from 60s by earmarking 15% general funds of Panchayat Raj institutions, and, it was extended to Municipalities and all other development departments from 1975-76, and, the SCP for SCs is renamed as Scheduled Caste Sub Plan. The concept of the SC Sub Plan is, to spend proportionate amount of the total budget for the welfare of SCs by all the Departments.

In order to have effective mechanism for monitoring plan outlay earmarked for the SCSP by the departments and prevention of diversion of funds to the schemes other than SCSP, a separate budget head "789" was created since 1998-99. Further, the Government issued orders vide G.O.Ms.No.17, Planning Dept., dt.7.11.2005, enhancing the allocation towards SCSP from 15% to 16.2% of total plan outlay of all the Departments from 2006-07 in proportion to the population of Scheduled Castes in the State as per 2001 Census.

The Government vide G.O.Ms.No.117, S W (SCP.I) Dept., dt.5.11.2007, constituted a Nodal Agency under the Chairmanship of the Hon'ble Minister for Social Welfare to review, monitor the allocations and expenditure and implementation of SC Sub Plan, and Government vide G.O.Ms.No.11, S.W.(SCP.I)Dept', dated.29.1.08, also constituted Apex Committee under the Chairmanship of the Hon'ble Chief Minister to review and monitor the SC Sub Plan.

As advised by the Government of India, the Government, vide, G.O.Ms.No.178, SW(B3) Dept., dt.12.11.1981 and G.O.Ms.No.166 SW(SCPCell) Dept., dt.1.12.1982 constituted a Cell at the District Level for proper implementation of the programmes for economic development of SCs, and, also to monitor the implementation of the Special Component Plan for SCs, consisting the following members:

- |   |               |
|---|---------------|
| 1. District Collector                                   | .... Chairman |
| 2. Representative of the Lead Bank                      | .... Member   |
| 3. Dist.Officers of concerned Dept.<br>Implementing SCP | .... Member   |
| 4. Deputy Director (SW)                                 | .... Convener |

(P.T.O.)

In spite of these efforts, the following problems are noticed in implementation of SC Sub Plan in the State, at present:

- (i) Some departments failed to provide the requisite 16.2% under SCSP.
- (ii) The schemes meant for general population are shown under SCSP by the Departments.
- (iii) The schemes shown under SCSP do not benefit the SCs directly.
- (iv) The schemes like construction of buildings, salaries to staff are shown under SCSP which is against the Planning Commission guidelines.
- (v) Some departments failed to distribute the SCSP budget district-wise with physical and financial targets, due to which the utilization of funds under SCSP is poor.
- (vi) SCSP budget is not distributed Mandal-wise by the Departments.
- (vii) There is no mechanism to review the implementation of SC Sub Plan at Mandal level.

The existing practice of holding District Level Review Meeting during the 1<sup>st</sup> week of every month in the State could be utilized for reviewing SCSP also.
